

# Getting Connected

Do you need help finding  
community resources for  
mental health & substance use services in  
Bucks County?

**Magellan Behavioral Health of Pennsylvania, Inc. is here to help!**

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) is a managed care company who works with Bucks County. Magellan provides mental health and substance use services to those who are eligible for Medical Assistance (MA) for children, teens, adults, and families.

Staff at Magellan's Member Services can help you find services, and translation services are available. Magellan's Member Services are available 24 hours a day, seven days a week, and can be reached at:

**Bucks County.....1-877-769-9784**

## How we can help you and your family:

- Speak with a Care Manager about your family's needs and review available resources.
- Provide assistance in connecting you to mental health and substance use services.
- Provide referral information for resources other than mental health and substance use when needed.
- Translation services are available when communicating with Magellan staff.

Visit [Magellan of PA](#) for more information and resources including the Member Handbook.
