

Magellan Behavioral Health of Pennsylvania, Inc. Intensive Care Coordination Program

Introduction

- The Intensive Care Coordination (ICC) Program was created to provide additional support to individuals and to help them work toward overall wellness.

In Order to Participate:

- Have a mental health diagnosis.
- Have had more than 1 mental health admission in the past 2 months.
- Have Medical Assistance as your main insurance.

Goals:

- To connect you to community services and resources.
- To help you work toward your wellness goals.
- To provide direct support from your Magellan Care Manager.
- To help you achieve increased independence.

Contact an ICC Care Manager at:

- Bucks County: 877-769-9784
- Montgomery County: 877-769-9782
- Cambria County: 800-424-0485
- Lehigh County: 866-238-2311
- Northampton County: 866-238-2312
