### **The 6<sup>th</sup> Annual Recovery in the Valley on September 24 in Johnstown will Focus on the Strong Recovery Community in Cambria County**

**Johnstown, PA - [September 14, 2022]** – [Magellan Health, Inc.](#) today announced that Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) will host the 6<sup>th</sup> annual Recovery in the Valley in Johnstown, PA, in collaboration with Behavioral Health of Cambria County, the Cambria County Behavioral Health Services Program, and the Cambria County Drug Coalition. ***The event is scheduled for September 24, 2022, from 1 p.m. to 5 p.m., in Johnstown's Roxbury Park (1430 Franklin Street), and the event is open to the general public.*** Magellan currently administers behavioral health benefits throughout Pennsylvania with HealthChoices contracts in Bucks, Cambria, Lehigh, Montgomery, and Northampton counties.

#### ***The Recovery in the Valley will include:***

- Featured speakers that have found recovery through S.M.A.R.T. Recovery, Family member recovery, 12 Step Programs, Certified Recovery Specialists (CRS), and the Faith-based path.
- Resource tables hosted by behavioral health and substance use providers.
- Public information about different pathways of recovery.
- Various church groups offering help to those struggling with substance use disorders.
- Family entertainment including a bounce house.
- Photo booth.
- Free food and refreshments.

“We wish to welcome everyone to this family-friendly event that includes evidence-based treatment options from local providers along with important community-based resources,” said Tracy Shultz, director of operations for Magellan Behavioral Health in Cambria County. “Together with our dedicated community partners, we believe this event is a great opportunity to showcase the strength of Cambria County’s recovery community. This annual event provides important awareness of the services available, as it’s an unfortunate reality that mental and substance use disorders affect people of all ethnicities, ages, genders, geographic regions, and socioeconomic levels.”
