SUD Discharge Planning Competency Training

Wednesday June 25, 2025

Location: Zoom
2:00 P.M.-3:00 P.M.

Presented by Anita Kelly, MA, CAADC, LPC
Clinical Contract Advisor at Magellan of Pennsylvania

Effective discharge planning training is essential to ensure continuity of care, reduce relapse rates, and improve long-term recovery outcomes for patients with Substance Use Disorders. This overview will provide education regarding:

- **Effective Discharge Planning:** To ensure continuity of care and reduce relapse rates through well-structured discharge plans.
- **Individualized Care Plans:** To create personalized discharge plans that cater to each patient's unique needs and circumstances.
- **Enhanced Communication:** To improve interactions with patients and families to ensure understanding and involvement in the discharge process.
- **Evidence-Based Practices:** To apply the latest research and best practices to improve patient outcomes and reduce readmission rates.

Who should attend

This training is targeted for SUD providers serving HealthChoices members.
