

Magellan's Online Authorization System

October, 2025

Magellan
HEALTHCARE®

Availity

- Effective November 1, 2025, Magellan is expanding the levels of care available for online authorization submission through the Availity system.
- The portal allows self-service for authorization creation, modification, and checking status and allows providers to see all authorization details.
- **Digital Authorization Request and Tracking System:** Self-service training materials and instructional videos are available at www.MagellanProvider.com/authsystem

You can access the Availity Learning Center by taking the following steps:

- Log in to the [Availity Portal](#) (for login assistance please contact, Availity Customer Support at 1-800-282-4548).
- Click **Help & Training | Get Trained** in the top navigation bar. The Availity Learning Center displays in a separate tab/window.
- Locate and search by keyword or filter by category to locate the course.
- Once the course is located, click **Enroll** at the top right of the screen.
- Once you have selected enroll and start, you'll also be able to access a handout.

Availity should be used once the member arrives at the accepting contracted facility.

This will eliminate the need for verify arrival calls.

Initial 24 hour level of care requests should still be completed telephonically when the referring facility needs assistance with a bed search, or a nonparticipating provider is being considered.

Care Managers will be available 24/7 to review the 24hr level of care requests submitted electronically and telephonically.

If the request was not complete, a Magellan Care Manager will reach out to the submitting facility to gather any additional information or to facilitate scheduling a Peer Advisor Review.

Members who were admitted under Primary Insurance or Medicare and stepping down to Magellan as primary need to be requested telephonically

Magellan Behavioral Health of Pennsylvania (Magellan) welcomes you as a "provider" in HealthChoices and to Magellan. In Pennsylvania, Magellan works with county partners in Bucks, Cambria, Lehigh, Montgomery and Northampton counties. As a Behavioral Health-Managed Care Organization (BH-MCO), Magellan manages members' benefits in coordination with you – our network providers. This makes it easier for members to get help for their mental health and drug or alcohol concerns.

All of the information and resources available to you are listed below, including [provider resources](#), [quality improvement](#) information, [county information](#), our [services and programs](#), and [community resources](#).

TIPS

- For all inquiries (entering an auth and viewing an auth) **REQUEST MEMBER CARE** must be selected, Do not select View Authorizations.
- Member ID needs 3 letter County Prefix **BUC, MNT, NOH, LEH, CAM, SBC**
- When initially entering member ID, leave off **-01**. the -01 can be used at other ID fields within the online auth tool.

The screenshot shows the 'Authorizations' page in the Magellan Healthcare portal. The page has a dark header with navigation links like 'Availity', 'essentials', 'Home', 'Notifications', 'My Favorites', 'Arizona', 'Help and Training', 'Amy's Account', and 'Logout'. Below the header is a secondary navigation bar with links for 'Patient Registration', 'Claims & Payments', 'My Providers', 'Reporting', 'Payer Spaces', and 'More'. A search bar is on the right. The main content area is titled 'Authorizations' and includes a 'Give Feedback' button. The form fields are: 'Organization' (dropdown with 'Magellan Healthcare' selected), 'Select a Provider (Optional)' (dropdown), 'NPI (Optional)' (dropdown), 'Tax ID (Optional)' (dropdown), 'Authorization Option' (dropdown with 'Request Member Care' selected), 'Member Information' section with 'First Name', 'Last Name', 'Date of Birth', 'State' (dropdown with 'Pennsylvania' selected), and 'Member ID' (text input with a red border and a red triangle icon below it with the text 'This field is Required'). A blue 'Submit' button is at the bottom. Two callout boxes with green borders and arrows point to specific fields: one points to the 'Authorization Option' dropdown with the text 'Select Request Member Care to submit and view authorization requests', and the other points to the 'Member ID' field with the text 'Member ID will need 3 letter county prefix, but do not include -01'.

Troubleshooting

Access issues - Check in with your IT department before making setting changes.

- Check your browser settings (this is a chrome example ➡)
 - ☐ Clear cache/cookies
 - ☐ Pop-up blockers

Trouble seeing prior authorizations on the member's dashboard

- Check the Date of Service. The date could be outside the range.
- You can remove the date if you have a member ID in the Member ID fields
- Check Diagnosis Type field. It should say All or Behavioral, never Medical or authorizations will not display
