H.R.1. Community Engagement - Next Steps and Timeline

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) and our county partners are sharing this update with our provider network regarding the next steps and timeline anticipated related to the community engagement expectations included within the H.R.1. bill.

In December 2025, the [Centers for Medicare and Medicaid Services \(CMS\) shared](#) that community engagement as detailed in Section 71119 of H.R.1. requires explanations and definitions to be shared for all applicable individuals at the state and federal levels. HHS is supposed to share a final rule in June 2026, and it is anticipated that subsequent guidance to include explanations and definitions from OMHSAS would follow the final rule determination.

Magellan will share all relevant updates to this timeline as information is shared. In the meantime, we suggest that you review Section 71119 to better understand the anticipated changes ahead of us.
