

Magellan Compliance Notebook

Magellan Behavioral Health of Pennsylvania, Inc. (Magellan) strives to be proactive and use education as a preventative tool to help ensure our members receive the highest quality of care through you, the provider. The Compliance Department at Magellan is committed to sending monthly e-mails to targeted providers regarding a Compliance-related subject.

This e-mail communication is specific to your HealthChoices (Pennsylvania Medicaid) Contract with Magellan.

This month's communication is directed to all providers and includes information from last week's annual Compliance Training on October 23, 2026, via webinar.

You may view and download a PDF copy of the [presentation](#) and/or view a [live recording](#) of the webinar. Please note the training begins at the 2:55 time mark. Additionally, there is a 15-minute break in the recording which takes place at the 50:40 mark. You may skip ahead in the recording to 104:45 for Part 2 of the training.

To improve any issues with clarity on YouTube, please follow these steps:

- Select "Quality"
- Select "1080pHD"

We would also like to invite all those that participated in last week's presentation to complete a very brief survey on your experience (this was also shared via e-mail on 10/27/26). Here is the link to complete the survey: [Magellan's Annual Provider Compliance Forum – Fill out form](#).

We wanted to ensure that our entire provider network had knowledge of and access to the valuable resources that were shared during this training opportunity. We welcome providers using this information to supplement your own internal Compliance Trainings for staff.

At Magellan, we will continue to educate our providers with updated MA Bulletins, regulations, and other pertinent information to ensure Compliance. Although providers are ultimately responsible for knowing and complying with all applicable regulations, we proactively engage providers on an ongoing basis to make sure they are aware of compliance-related requirements and expectations. Medicaid Program Integrity is truly a collaborative effort between our

providers, county customers, Magellan, Bureau of Program Integrity (BPI) and other oversight agencies. The monthly e-mail blast topics are generated from audit results and trends; however, they are also sent in response to recent Magellan policy updates; newly released or relevant MA Bulletins and Policy Clarifications; or Regulation changes. The intention is to afford our providers with as many resources as possible to combat FWA and reduce overpayments.

Thank you for your ongoing hard work and dedication to our members!
