

Getting Connected . . .

Do you need help finding
local community resources for
behavioral health & substance use services
in Montgomery County?

Getting help is easy with Magellan Behavioral Health of Pennsylvania, Inc.:

Contact our Member Services team as follows:

Montgomery County: 1-877-769-9782

How we can help you and your family:

- Listening to your concerns related to behavioral health and substance use.
- Providing educational support regarding the complaint and grievance process.
- Helping you connect to community supports, available services, support groups, peer and family networks, and other available county and public resources.

Visit [MagellanofPA.com](https://www.MagellanofPA.com) for more information and resources including our Member Handbook.
