

Unlock new resources to live better

Did you know as a valued Magellan member you now have access to DUOS at **no extra cost**? DUOS works directly with Magellan Behavioral Health of Pennsylvania to help you find resources and support for daily living, so you can get back to what matters most!

*The image on the right is an example only. Personalized resources will depend on eligibility, availability, and location. You may qualify for an incentive through an existing government program.

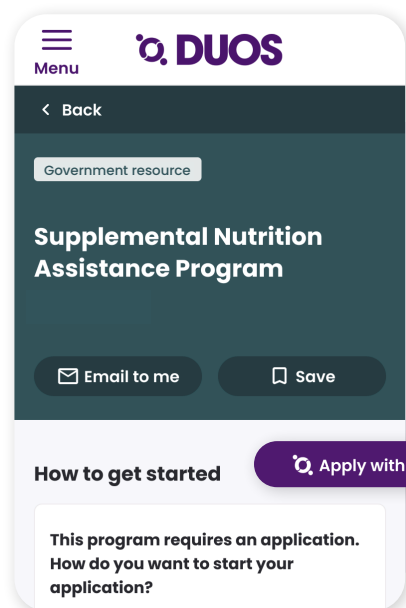

Here are common ways people are earning more and worrying less with DUOS:

-  Unlock extra savings by tapping into unused local and community resources
-  Add more money to your wallet for food with government programs like SNAP, if eligible
-  Find low and no-cost resources to assist with housing, transportation, care, and more

It's easy to get started now!

Call DUOS at **610-230-7950** (TTY: 711) from Monday-Friday 9 am-9 pm ET.

*Covered benefits are subject to change. Eligibility criteria is updated monthly.

DUOS does not provide health insurance, medical coverage, or clinical advice. It's not a substitute for your health insurance plan. Instead, DUOS complements your health coverage by helping you maximize your plan benefits and connecting you with programs and services based on your needs.

While help from DUOS is provided at no cost to you, **DUOS may identify non-covered services provided by third parties not affiliated with Magellan, and they may charge you a fee for using their services. Magellan is not responsible for services or information provided by third parties or their associated fees.** In addition, DUOS may connect you with services covered under your plan benefits. If you have other insurance in addition to Medicaid, your regular plan copays and/or coinsurance may apply when you use covered services.
