

Getting Connected ...

Do you need help finding
local community resources for
behavioral health & substance use services
in Bucks County?

Getting help is easy with Magellan Behavioral Health of Pennsylvania, Inc.:

For adults age 26 and over
along with those supporting adults
Contact Dirk Duffan at 215-504-3953 or
DuffanD@MagellanHealth.com

For children and transitioning adults
up to age 26
Contact Marissa MacKeverican at 215-504-3966
or MackevericanM@MagellanHealth.com

How we can help you and your family:

- Listening to your concerns related to behavioral health and substance use.
- Providing educational support regarding the complaint and grievance process.
- Helping you connect to community supports, available services, support groups, peer and family networks and other available county and public resources.

Visit MagellanofPA.com for more
information and resources including
our Member Handbook.
